## Pioneer County Council Norrbotten

- first territorial coordinator in Sweden! How did we get there?

# Why? And How?

## Why?

- CoM is consistent with the county's ambitions in the regional development and the regional energy and climate strategy
- Improving collaboration with municipalities
- Local contribution to regional targets

## How?

- Energy Agency North is doing the practical implementation
- Developing One-Stop-Shop for energy inventory (BEI/MEI; Data4Action)
- Improved MLG-Structure and intensified coaching (COOPENERGY)
