

Webinar

EMPOWERING ISLANDS TO ACHIEVE THEIR ENERGY AND CLIMATE TARGETS

Tuesday, June 16th, 2020, 11h CET

AREAM - Regional Agency for Energy and Environment of the Autonomous Region of Madeira, supporter of the Covenant of Mayors for Climate & Energy, partner in the European project C-Track 50 Putting Regions on Track for Carbon Neutrality by 2050, with DAFNI and FEDARENE, is organizing the webinar Empowering islands to achieve their energy and climate targets, aimed to Portuguese municipalities, with a special focus on island municipalities.

The webinar will be presented in Portuguese and will focus on topics such as the Covenant of Mayors, the C-Track 50 project (<http://www.c-track50.eu>), and the European City Facility Initiative, with the opportunity for the participants to raise their own questions at an open discussion.
